QUALITY POLICY

INFOTREX SERVICES PVT. LTD. (ISPL) is committed to delivering system inspections, 2nd and 3rd party audits, certification audits, and FSSAI scheme audits to the highest standards for all organizations, without discrimination. We strive to provide competent, consistent, impartial, and value-added conformity assessment services that promote trust and excellence across industries.

We achieve this commitment by ensuring full compliance with all statutory and regulatory requirements as well as applicable national and international standards and guidelines, including the FSSAI Scheme, HRA Scheme, and other subscribed frameworks.

Our goal is to enhance the satisfaction of all interested parties by performing value-added inspection and audit services that contribute to improved quality, safety, and operational performance.

We are dedicated to continual improvement and to building the capacity required to consistently meet and exceed the standards of certification and assurance expected by our clients and stakeholders.
